

Pacem School

Celebrating Curiosity - Igniting Passions

32 College Street, Suite 100, Montpelier, VT 05602
802-223-1010 www.pacemschool.org

If you value giving back to the community and helping to create a better future there is an opportunity here in central Vermont. We invite you to consider joining Pacem School's board of Directors. We are a team of likeminded people who *are* making a small but meaningful difference in what our future and that of the next generation will be, and we encourage you to learn more about us.

Pacem School is an intellectually inspiring, joyful learning community in Montpelier, VT. We are a state-approved, full-time independent 6th - 12th grade school, and in addition, we offer coursework and extra-curricular support to homeschoolers age 10-18. Consider joining the Pacem Board of Directors, where you will be part of the Pacem team to enact its mission. The board works collaboratively with Pacem's professional staff to help young people become the future we value. Pacem's mission emphasizes student directed learning with a focus on collaborative problem solving, both locally and globally. Pacem provides a community where each student is known and cherished. This setting allows our students to develop confidence, feel empowered, and to blossom. By creating a learning environment that recognizes respect for our fellow humans, our community and our earth, Pacem makes a small but meaningful step toward a more benevolent future.

To learn more about the Pacem opportunity, please see the attached brochure and reach out to Rick Molz, President of the Pacem Board; Lexi Shear, Director of the Pacem School or any other Board member.
