Explanation of Fees:Outdoor Adventure Days:

All students are invited to join us for three days before the start of school (Wednesday September 9th through Friday September 11th), we will spend some time in the woods and fields of Vermont getting to know each other and building the foundation of our community for the coming year. Two days (with an overnight) will be at Lotus Lake Discovery Center in Williamstown, VT, and one day we will hike as a group up a classic Vermont mountain. More information is in our Course Descriptions.

Homeschool Advising Package:

With our homeschool advising package, Pacem's homeschool expert, Rebecca Yahm, will provide you with support for your homeschool curriculum, planning, and teaching throughout the year. The first advising meeting will take place in the summer to get help developing educational goals for the year, planning curriculum, finding resources, and/or completing state paperwork. In the middle of the year, you will have an opportunity to check in and address any concerns or issues you might be facing, since mid-year questions and new directions are common. At the end of the year, you will meet for a homeschool assessment, which fulfills the state of Vermont Home Study year-end assessment requirement and is also an opportunity to review and appreciate your child's progress and accomplishments during the year. Meetings in addition to the ones described here can be scheduled for additional cost.
