Tuition, Deposit, and Refund Policies:

- All tuition and payment plans must be paid online through TADS, our online billing and tuition management system. This system will allow greater flexibility in payment options including cash, check, credit cards, automatic bank withdrawals and multiple payment plans. Please note that some options incur a fee to the family. **Families who do not wish to use this system will need to pay the entire tuition prior to September 1.**
- Tuition is determined by the number of classes as calculated on TADS and on the tuition worksheet.
- All registrations require a non-refundable deposit of \$50 per class or \$250 for fulltime students **due immediately** and payable through the TADS registration system. A deposit of 25% is due prior to September 1, (or prior to the first day the student attends class, for late registrations.)
- Upon registration, families will be guided to set up a tuition agreement on TADS. Families must have a tuition agreement in place for students to attend classes.
- If a student is withdrawn during the academic year, families/caregivers are responsible for the following portion of the total tuition for the withdrawn class(es):
 - Withdrawal before Sept 1: 25%
 - Withdrawal before Oct 15: 50%
 - Withdrawal before Dec 31: 75%
 - Withdrawal after Dec 31: Tuition for the year must be paid in full
- Registration for non-academic extracurricular activities is separate.
- Pacem School remains committed to working with all interested families. Flexible payment plans are available and financial aid are available.

Explanation of Fees:

Outdoor Adventure Days:

All students are invited to join us for three days before the start of school (Wednesday September 4th through Friday September 6th), we will spend some time in the woods and fields of Vermont getting to know each other and building the foundation of our community for the coming year. Two days (with an overnight) will be at Lotus Lake Discovery Center in Williamstown, VT, and one day we will hike as a group up a classic Vermont mountain. More information is in our Course Descriptions. The cost of this program is \$170. (Cost is already included in full-time tuition)

Homeschool Advising Package:

With our homeschool advising package, Pacem's homeschool expert, Rebecca Yahm, will provide you with support for your homeschool curriculum, planning, and teaching throughout the year. The first advising meeting will take place in the summer to get help developing educational goals for the year, planning curriculum, finding resources, and/or completing state paperwork. In the middle of the year, you will have an opportunity to check in and address any concerns or issues you might be facing, since mid-year questions and new directions are common. At the end of the year, you will meet for a homeschool assessment, which fulfills the state of Vermont Home Study year-end assessment requirement and is also an opportunity to review and appreciate your child's progress and accomplishments during the year. Meetings in addition to the ones described here can be scheduled for additional cost. The cost of this program is \$240.
