

## 2018 OUTDOOR PORTRAIT DAY

**PACEM SCHOOL ~ 32 College St. ~ Montpelier, VT**  
**Wednesday, Oct 17, 2018 ~ 10am – 12pm**  
**~ RAIN, SNOW OR SHINE ~**

This fall, we are offering simple professional outdoor portraits to members of the Pacem School's extended community of families and friends. Families interested in participating can opt for a single portrait of one child (upper body), and/or additional portraits of siblings and other family members. **We charge a sitting fee of \$15 for each portrait, which is due on portrait day...** By late October, we will share the portraits via web gallery, and families can opt to order prints or digital files. A portion of the sitting fee (\$5) will be applied to any print/digital file orders of \$20 or more. Families can have their prints shipped to them at home.

***Please fill out & submit this form, along with your payment, on photo day. Please contact us anytime with any questions or ideas you have. See you soon & thanks! – Brian and Emily***
